

CUSTOM 
COLLECTION
 VIEW
LAYOUT 

PART 6: STRETCHY HEADERS: GETTING STARTED

HOW WE ARE ACHIEVING OUR RESULTS

- ▶ Modify storyboard with header view
- ▶ Subclass UICollectionViewFlowLayout

```
override func layoutAttributesForElements(in:) -> [UICollectionViewLayoutAttributes]
```

- ▶ Check representedElementKind for section header
- ▶ Change height of section header

```
override func collectionView(_:viewForSupplementaryElementOfKind:at:) ->  
UICollectionViewReusableView
```
